

Leap!

What if someone told you life as you know it is an illusion? What if there was a way to break free and live from inspiration, to explore all areas of your life as the Infinite Being you truly are?

Joyful Living Church will present screenings of the movie ***Leap!*** August 7 at 7 p.m. and August 8 at 11 a.m. The movie features interviews with over 20 people, including Dan Millman, Gary Renard, Robert Scheinfeld, Fred Alan Wolf, James Twyman and Joe Vitale. It uses ancient and modern philosophies to help people explore the idea of life as an illusion, and how to embrace that idea to transform your human experience.

The film delves into the idea of “reality” and the ageless theory “the world is an illusion. ***Leap!*** is a unique blend of science, psychology, philosophy and spirituality. The featured interviews offer insights on the benefits of viewing life as an illusion, and demonstrate how to change core perceptions to live from inspiration. This philosophy is not about denying the physical experience, but leaping beyond the limitations and restrictions that illusion appears to impose. Most importantly, the film explores all elements of the human experience, and offers ways for viewers to “wake up” from the dream and live a life of unimaginable joy, peace and freedom.

Joyful Living Church will show ***Leap!*** Saturday, August 7 at 7 p.m., and Sunday, August 8 at 11 a.m. There is a \$10.00 donation for the screening.
